SAFAL ARUN PATIL

WEB DEVELOPER

Nagpur, Maharashtra, India | safalpatil27@gmail.com | +91 72496 67231

@linkedIn | @Portfolio

Passionate Web Developer with experience in building responsive and user-centric interfaces using modern frontend technologies. Co-founder of Atricards, a creative platform for personalized custom cards. Quick learner with strong problem-solving skills and a keen eye for design and usability.

WORK EXPERIENCE

Co-Founder | Atricards   **April 2025 - Present**
- Spearheaded the design and launch of a digital product suite focused on creative and personalized greeting solutions.
- Managed UI/UX development and implementation using Frameworks and Tools.
- Built the official website for Atricards ensuring brand consistency and responsiveness across devices.
- Work with small team to deliver quality output under strict deadlines, and coordinated marketing strategies to build online presence.

Web Developer Intern | AbCoEdTech Pvt. Ltd.   **Dec 2023 – Mar 2024**
- Built responsive web interfaces.
- Transitioned legacy codebases to React.js, enhancing performance and interactivity.
- Collaborated closely with backend teams to integrate UI components with APIs and databases.

Teacher's Assistant | AceTech Institute   **Jun 2023 – Aug 2023**
- Assisted in delivering technical lessons, developing course content, and student mentoring.
- Designed promotional materials including brochures and newsletters.
- Took lead in classes during faculty absence and conducted sessions on frontend tools.
